

First Ivy League-Founded Business Competition

Create, Innovate, Succeed!

Model Entrepreneur® Legacy Tokyo 2025

Model Entrepreneur® Competition (MEC), launched by Columbia Business School's Venture for All® in collaboration with IEG Global Association in 2014, has grown into a globally renowned entrepreneurial competition. With a mission to inspire students to present innovative ideas addressing environmental and social issues, MEC equips young entrepreneurs with valuable skills for future success.
